

the pl. is **أَرْضَاتُ** (AHn, Mṣb, TA) and **أَرْضَاتُ**; (Mṣb;) or, as some [more properly] say, **أَرْضُ** is a quasi-pl. [or coll. gen.] n. (AHn, TA.) It is said in a prov., **أَكَلَ مِنَ الْأَرْضَةِ** [More consuming than the wood-fretter, or the termite]. (TA.) And in another, **أَفْسَدَ مِنَ الْأَرْضَةِ** [More marring, or injuring, or destructive, than the wood-fretter, or the termite.] (A, TA.)

**أَرْضَة**: see **أَرْضُ**.

**إَرْضَة**: see **أَرْضَة**.

**أَرُوضُ**: see **أَرْضُ**.

**أَرْضُ** part. n. of **أَرَضَ**. — You say **أَرْضَة** (TA) Land that is thriving, or productive; (S, A, K;) pleasing to the eye; (AA, S, A, K;) and disposed by nature to yield good produce: (A, K, TA:) or fruitful; increasing in plants or herbage: (IAqr:) or level, or soft: (ISh:) or that collects moisture, and becomes luxuriant with herbage; that is soft to tread upon, pleasant to sit upon, productive, and good in its herbage or vegetation: (AHn:) it also signifies a wide land; syn. **عَرِيضَة**: (TA:) and **إِرَاضٍ** [as pl. of **أَرْضُ**] is syn. with **عَرَضٌ** and **وَسَاعٌ**; (AA, K, TA:) as though the **ع** were a substitute for the **ع**. (TA.) — **أَرْضُ** is also an imitative sequent to **عَرِيضٌ**; (S, K;) as in the phrase **أَرْضُ عَرِيضٍ** [A very wide thing]: (S:) or it signifies *fat*, as an epithet: (K:) some use it in this sense without **عَرِيض**, applied to a kid. (S.) And you say, **أَمْرَاءُ عَرِيضَة** [A very wide, or wide and fat, woman; or, as seems to be indicated in the TA in art. **عَرَض**, prolific and perfect]; and in like manner, **مُؤْرَضَة**. (TA.) You say also **أَرْضُ رَجُلٍ** (S,) and **لِلْخَيْرِ** (A,) **أَرْضُ** A man lowly, or submissive; (S;) naturally disposed to good, or to do good. (S, A.) And **نَفْسٌ وَاسِعَةٌ أَرْضُ**: see **رَاطٍ**.

**هُوَ أَرْضُهُمْ بِهِ** He is the most adapted, meet, suited, fitted, or fit, of them, for it; or most worthy of them of it. (K.) And **هُوَ أَرْضُهُمْ أَنْ** He is the most adapted, &c., or most worthy, of them to do that. (Aḡ, S.)

**أَرْضَة**: see **أَرْضُ**.

**أَرْضُ** Wood eaten by the **أَرْضَة** [or wood-fretter, or termite, but generally meaning the former]; (S, A, Mṣb, K;) as also **أَرْضُ**. (TA.) — A person affected with **خَبَلٌ** [q. v.] from the inn, or genii, and [what are called] **أَهْلُ الْأَرْضِ** (S, K,) i. e. (so accord. to the S and TA, but in the K “and”) he who moves about his head and body involuntarily. (S, K.) — A person affected with **زُكَّامٌ** [or rheum]: (S, K:) accord. to Sgh, [who seems, like J, not to have known **أَرْضُ** from **أَرَضَهُ**; (Sgh, TA;) whereas by rule, [if from **أَرَضَهُ**,] it should be **مُؤْرَضُ**. (TA.)

**أَرْضَة** and **أَرْضَة**, **أَرْضَة** A young palm-tree, and a small young palm-tree, having a root in the ground: such as grows forth from the trunk of the mother-tree is called **رَاطٍ**.

Bk. I.

(S, K.) — **مُسْتَارِضٌ** also signifies *Heavy, slow, or sluggish, inclining, or propending, to the ground.* (IB.)

### ارط

1. [The unaugmented verb from this root seems to be unknown, if it were ever in use, for it is not mentioned, though the pass. part. n., **مَارُوطٌ**, is mentioned as having three significations, which see below.]

2: see 4.

4. **أَرَطَتِ الْأَرْضُ**, (AHeyth, K,) of the measure **أَفْعَلَتِ**, [originally] with two alifs, (TA,) [aor. **أَفْعَلَتِ**, inf. n. **أَرِطًا**,] *The land produced the kind of trees called أَرَطَى* [or **أَرَطَى**]; (AHeyth, K;) as also **أَرَطَتِ**, inf. n. **أَرِطًا**; or this is a corruption, attributable to J: so says the author of the K, following AHeyth: but it is no corruption, for it is mentioned by the authors on verbs and by ISd and others; (MF, TA;) for instance, by AHn, in his book on plants, and by IF, in the Mj: (TA:) [and J mentions it in its proper place, in art. **رَطَى**, as well as in the present art.:] **أَرَطَتِ**, with the **ر** mushedddeh, has also been found in the handwriting of certain of the men of letters; but this is a corruption. (K.)

**أَرَطَى** A colour like that of the **أَرَطَى** [or **أَرَطَى**]. (Sgh, K.)

**فَعْلَى** (Mbr, S, K,) of the measure **أَفْعَلَى**, because you say **أَدِيرُ مَارُوطٌ**, [explained below,] (Mbr, S,) the alif (Mbr, S, K) ending it (Mbr) [written **ى**] being a letter of quasi-coordination, (S, K,) not to denote the fem. gender, (Mbr, S,) its n. un. being **أَرِطَة**, (Mbr, S, K,) wherefore it is with **tenween** when indeterminate, but not when determinate: (S, K:) or it is of the measure **أَفْعَلَى**, (Mbr, S,) the last letter being radical, (Mbr,) because you say **أَدِيرُ مَارُوطٌ**, (Mbr, S,) and in this case it should be mentioned among words with an infirm letter [for the last radical], and is with **tenween** both when determinate and when indeterminate; (S;) [but this is a mistake, for when it is determinate, it can be with **tenween** only if used as a proper name; therefore,] IB observes, that if you make its last letter radical, its measure is **أَفْعَلَى**, and a word of this measure, if a subst., is imperfectly decl. when determinate, but perfectly decl. when indeterminate: (TA:) [the author of the K copies the error of the S, saying, “or its alif is radical,” (meaning its last letter,) “and in this case it is always with **tenween**,” and he adds, “or,” (for which he should have said “and,”) its measure is **أَفْعَلَى**: to all which it is necessary to add, that some of the grammarians hold it to be also of the measure **فَعْلَى**, ending with a fem. alif, and therefore assign to it no n. un.:] A kind of tree, (S, K,) of those growing in sands, (S, TA,) resembling the kind called **عَضَا**, growing as a branch [in the TA **عَضَا**, for which I read **عَضَا**] from a single stem, to the height of the stature of a man, the leaves whereof are what are termed **هَدَبٌ** [q. v., and are included among those termed

**خُوصٌ**, (AHn, TA,) and its flower is like that of the **خُلَافٌ** [or **salix ægyptia**], (AHn, K,) save in being smaller, the colour being one; and the odour thereof is pleasant: it grows in sands, and therefore the poets make frequent mention of the wild bulls' and cows' taking refuge among this and other trees of the sands, burrowing at their roots to hide themselves there, and to protect themselves from the heat and cold and rain, but not among the trees in hard ground, for burrowing in the sand is easy: (AHn, TA:) its fruit is like the **عُتَابٌ** [or **jujube**], bitter, and is eaten by camels in its fresh moist state, and its roots are red, (AHn, K,) intensely red: (AHn, TA:) AHn adds, a man of the Benoo-Asad informed me, that the leaves (**هَدَبٌ**) of the **ارطى** are red like the red pomegranate: its fruit also is red: (TA:) the dual is **أَرِطَانِ**: (AHn, TA:) and the pl. **أَرِطَانِ** and **أَرِطَانِ**, (AHn, K,) in the accus. case **أَرِطَانِ**. (TA.)

**أَرِطَوِيٌّ**: } see what next follows.  
**أَرِطَوِيٌّ**: }

**مَارُوطٌ** A hide tanned with **أَرِطَى**; (S, K;) i. e. with the leaves thereof; (S in art. **رَطَى**;) as also **مُؤْرَطِيٌّ**; (TA;) and so **مَرِطِيٌّ**. (S.) — A camel having a complaint from eating **أَرِطَى**: (L, K:\*) and a camel that eats **أَرِطَى**, (AZ, S, K,) and keeps to it; (K;) as also **أَرِطَوِيٌّ** (AZ, S, K,) and **أَرِطَوِيٌّ**. (Ibn-'Abbād, Sgh, L, K.)

**مُؤْرَطِيٌّ**: see what next precedes.

### arf

2. **أَرَفَهَا**, (T, M, Mgh,) namely **الدَّارَ**, and **الأَرْضَ**, (T, M,) inf. n. **تَأْرِيفٌ**, (T,) *He set, or put, limits, or boundaries, [أَرَفَ] to it; (M, Mgh;) and marked it out: (Mgh:) or he divided it; and set, or put, limits, or boundaries, to it: (T:) namely the house, and the land. (T, M.)* And **أَرَفَ عَلَى الْمَالِ**, (S, Mgh, Mṣb,) or **أَرَفَ عَلَى الْأَرْضِ**, inf. n. as above, (K,) *The property, (S, Mgh, Mṣb,) or the land, (K,) had limits, or boundaries, set, or put, to it, (S, Mṣb, K,) or around it; (Mgh;) and was divided. (K.)* When this is done, it is said that there is no **شُعْعَةٌ** [or right of preemption] with respect to the property. (S, Mgh, Mṣb.) — **تَأْرِيفٌ** also signifies *The tying a rope, or cord, so as to form a knot or knots. (K.)*

**إِرْثٌ مَجِيدٌ** **إِنَّهُ لَفِي إِرْثٍ مَجِيدٍ** [Verily he is of a glorious origin, race, or stock]: mentioned by Yaḡkoob as an instance of a change of letters. (M.)

**أَرَفَةٌ** A limit, or boundary, (Aḡ, T, S, M, Mgh, Mṣb, K,) making a separation (Mṣb) between two pieces of land; (Mṣb, K;) a sign, or mark, (Aḡ, T, S, Mgh,) of the limits, or boundaries, between two pieces of land: (S:) and a separation between houses and estates: (M:) and a dam between two pieces of land sown or for sowing: (Th, M:) Yaḡkoob asserts that its **ف** is a substitute for the **ث** of **أَرَفَةٌ** [which is, however, less com-
