

A competent knowledge of the Koran is indispensable as an introduction to the study of Arabic literature, yet practical difficulties in it abound. Nor is it to be expected that all the transcendent excellencies and miraculous beauties to be discovered in the Koran should immediately unveil themselves to the seeker

This work has therefore been compiled with the intention of its proving of service to the beginner in mastering some inevitable difficulties, and also to the more advanced Arabist in resolving some problems. Thus it provides a clue of elucidation to the more intricate passages of the Koran; it is also an indispensable aid to Koranic studies.
