

and شَيَان, like تَيَحَان and تَيَحَان [q. v.], (L in art. تيح,) [applied to a man,] *Far-sighted*; (K;) either in the proper sense, or metonymically applied to a man *characterized by deliberation, and reflection, and looking to the results of affairs.* (TA.) Each is also applied as an epithet to a horse. (L in art. تيح.) [The radical letters of this epithet are either شَو or شَا; therefore it is mentioned again in art. شَا; and another form thereof, without ء, (شَيَان), is mentioned in art. شوى.]

## شوب

1. شُوب, aor. يَشُوبُهُ, (S, A, Msh,) inf. n. شُوب (S, A, Msh, K) and شَيَاب, (K,) *He mixed it*; (S, A, Msh, K;) such as milk with water; (Msh;) or honey with water. (A.) [And *It mingled with it*: for] one says also, كَانَ رِيْقَتَهَا خَمْرًا يَشُوبُهَا عَسَلٌ [As though her saliva were wine with which honey mingled]. (A.) — [It is sometimes used in a good sense, but more frequently in a bad sense; and often means *He adulterated, vitiated, or sophisticated, it.*] It is said in a trad., يَشُدُّ بِعَشْدٍ + بَيْعَكَرُ الْحَلْفِ وَاللَّغْوِ تَشُوبُهُ بِالْصَّدَقَةِ [Swearing, and unprofitable speech, attend your selling; therefore mix ye it with alms]. (TA.) And it is said in a prov., هُوَ يَشُوبُ وَيَرْوِبُ + *He mixes, or confounds, or makes a confusion or disorder, in speech and in actions*: (S, TA:) or *he says right one time and wrong another time*: (Aq, TA:) or *he defends without energy*: (TA:) or *he is sometimes incited to motion, or action, and defends himself, but without energy, and sometimes he is motionless, and does not become excited to motion, or action*; and it is not from [the words شُوب and رُوب applied to] milk: so says Abou-Su'ced [i. e. Aq]: and he says also that شَابَ عَنْهُ وَرَابٌ means *he defended him at one time, and was sluggish, or indolent, at another time*: and that عَنْهُ شُوبٌ, inf. n. تَشُوبٌ, means *he defended him without energy*: and thus this latter is expl. in the K, as is likewise عَنْهُ شَابٌ: also that the Arabs say, لَقِيتُ فَلَانًا الْيَوْمَ يَشُوبُ عَنْ أَصْحَابِهِ meaning *I found such a one to-day defending his companions in some measure.* (TA.) [See also art. رُوب.] — شَاب also signifies *He acted treacherously, perfidiously, or unfaithfully*: (Fr, TA:) *he lied: he deceived in selling or buying*: and *he acted dishonestly, insincerely, or with dissimulation.* (IAq, TA.) — [See also Har p. 448; where it is implied that it signifies also *He spoke truth, or was veracious.*]

2: see the preceding paragraph.

7: see what next follows.

8: اشتاب *It was, or became, mixed*; (O, K;) as also انشاب. (K.)

شُوب inf. n. of 1 [q. v.]. (S, A, &c.) — [Hence,] لَا شُوبَ وَلَا رُوبَ, occurring in a trad., means *There is, or shall be, no dishonesty, insincerity, or dissimulation, nor mixing, in the selling, or buying*: so says IAq: or *I am irresponsible with respect to this commodity*: or, as he is related to have said, *thou art irresponsible for its being*

*faulty, or defective.* (TA. [See also شُوبَة.]) — And شُوب (TA) and شَيَاب, (S, TA,) [each an inf. n. used as a subst. properly so termed,] or شَيَابَة, (so in one copy of the S,) signify *A mixture; an admixture; or a thing mixed with another thing.* (S, TA.) Thus شُوبًا signifies in the Kur xxxvii. 65: (TA:) or, accord. to one reading, the word there is شُوبًا, meaning *a thing with which another thing is mixed.* (Bd.) الشُوب also signifies [particularly] *What is mixed [with something else], of water or of milk*: (K:) one says, سَقَاهُ الدَّوْبَ بِالشُّوبِ *He gave him to drink honey with water, or milk, mixed [therewith]*: (TA:) or سَقَاهُ الشُّوبَ بِالدَّوْبِ *He gave him to drink milk [mixed] with honey.* (IDrd, TA.) And *Mixed honey*; as in the saying, مَا عِنْدِي شُوبٌ وَلَا رُوبٌ *I have not mixed honey nor milk such as is termed رَائِبٌ* [q. v.]: (IAq, TA:) or [simply] *honey &c.*; (A, Msh, TA;) so called because they mix it with beverages; (Msh;) as in the saying, سَقَاهُ الشُّوبَ بِالرُّوبِ *He gave him to drink honey with clarified butter, or with milk.* (A.) And *Broth*; as in the saying, مَا عِنْدَهُ شُوبٌ وَلَا رُوبٌ *He has not broth nor milk.* (S, K: but in the latter, مَا لَهُ.) And شُوبٌ signifies also *A piece of dough.* (K.) — And [the pl.] أَشْوَابٌ signifies *A medley, or mixed multitude, of sundry sorts*: a less particular term than أَوْبَاشٌ, which signifies a medley, or mixed multitude, of the low, or lower, or lowest, sort: (TA, from a trad.): accord. to El-Jawálceke, it is an arabicized word, from the Pers. آشوب. (TA in art. وشب.)

شُوب: see شُوبًا in the next preceding paragraph.

شُوبَة *Deceit, delusion, guile, or circumvention*: (K: [see also شُوب:]) [or, app., somewhat thereof:] one says, فِي فَلَانٍ شُوبَةٌ [In such a one is deceit, &c.]. (TA.)

شَيَابَة *A virgin in the night of her devirgination*: (Ibn-Abi-l-Hadeed, MF:) [either from شَاب having for its aor. يَشُوبُ, signifying “he mixed,” or from شَاب having for its aor. يَشِيْبُ, signifying “he became white-headed, or hoary;” as shown by what follows:] one says, بَاتَتْ بِبَيْلَتِهِ شَيَابَةً, (S and A in art. شيب, and K in the present art.) and بَيْلَتُهُ الشَّيْبَاءُ, (K.) *She passed the night of a virgin then devirginated*, (S, A, K,) and *of the virgin then devirginated*: (K, TA:) said of a virgin-bride when she is devirginated by the bridegroom in the night in which she has been first brought to him: (A, K, TA:) in the contr. case, when she is not devirginated, one says, بَاتَتْ بِبَيْلَتِهِ حَرَّةً, (S, TA:) and one says also, بِبَيْلَتِهِ حَرَّةً: (TA in art. حر.) Z, in the A, mentions the first phrase in art. شيب, and makes it to be tropical, as though the bride were in that night afflicted by an event so severe as to cause the locks of her hair to become white: in the L it is said that the شَيَابَة is substituted for وَ, because of [the allusion of the phrase to] the mixing of the sperma genitale of the man with that of the woman; but that شُوبًا has not been

heard instead of شَيَابَة: ISd, in the M, mentions it in arts. شوب and شيب; observing that the شَيَابَة is said to take the place of وَ, as well as Z and others, mentions it in art. شيب [q. v.]. (TA.)

شُوب: see شَيَابَة and شَيَاب.

شَوَائِبُ sing. of شَوَائِبُ meaning *The whiteness [mixing] with the darkness of night.* (Har p. 58.) — The saying لَيْسَ فِيهِ شَائِبَةٌ مُلْكٌ may be from شَابَ “he mixed it;” meaning *There is not in it anything [of ownership, or right of possession,] mixed therewith, though small, or however small*; like as one says, لَيْسَ فِيهِ عُلُقَةٌ وَلَا شُبَّةٌ; it being an instance of the measure فَاعِلَةٌ in the sense of the measure مَفْعُولَةٌ, as in عَيْشَةٌ رَاضِيَةٌ: thus the lawyers use it. (Msh.) — شَائِبَةٌ is also sing. of شَوَائِبُ meaning *Uncleanesses, filths, or pollutions; or unclean, filthy, or foul, things.* (S, Msh, K.)\*

مَشُوبٌ (S, Msh) and مَشِيْبٌ, the latter from شيب [“it was mixed”], *Mixed.* (S, Msh.) A poet says, (namely, Suleyk Ibn-Es-Sulakeh Es-Saqde, TA,) وَمَا قُدِّرَ فِي الْقَصَاعِ مَشِيْبٌ

i. e. [And the water of cooking-pots, in the wooden bowls,] mixed with seeds for seasoning and with sauces. (S.) — الْفَتْحَةُ الْمَشُوبَةُ بِالْكَسْرِ means [The fet-hah that is mingled with kesreh; which is] the fet-hah that precedes the 1 of إِمَالَةٌ; as in عَابِدٌ and عَارِفٌ [when they are pronounced “‘ebidun” and “‘erifun”]; for إِمَالَةٌ consists in inclining [the sound of] fet-hah towards [that of] kesreh; whereby [the sound of] the 1 that follows it is inclined, and is not a pure 1; for like as [the sound of] the fet-hah is mingled [with that of] kesreh, so is [the sound of] the 1 [mingled with that of] ى. (L, TA.)

مَشَاوِبٌ, with damm [to the م], and fet-h to the و, [not with both of these vowels to the و as supposed by Freytag,] *The case (غلاف) of a flask or bottle*; (K;) because it is mixed with redness and yellowness and greenness; mentioned by AHát on the authority of Aq: (TA:) pl. مَشَاوِبُ: (AHát, K:) or the pl. signifies [receptacles of the sorts called] أَنْفَاطُ [pl. of سَفَطٌ] and حَقَقُ [pl. of حَقَّةٌ] made of palm-leaves. (A.)

## شوذ

2. شُودَ السَّحَابِ الشَّمْسُ *The clouds covered the sun, (K,) as though it were turbaned with a dust-coloured haze inclining to yellow*; as is the case in a year of drought; i. e. (T, L) thin clouds containing no water surrounding it, (T, L, K,) having the hue above described. (T, L.) — شُودَتِ الشَّمْسُ [thus in the L and K, not شُودَتْ nor شُودَتْ,] *The sun inclined to setting, (T, L, K,) and became covered with such clouds [as those above described]*: (T, L:) became turbaned with clouds. (AHn, L.) — شُودَهُ, (inf. n. تَشُودِي, L,) + *He turbaned him; attired him with a turban*: (AZ, T, L, K:) app.
